Divisional Games

Crossover Games

Liberty League Tournament: Thurs.-Sat., May 9-11

NCAA Selection Deadline: Sun., May 12

3-Game sets for all series; single game the first day followed by DH the second day; single game the first day allows teams to travel the same day; requiring hotel for only one night; teams playing at a single site have the option of playing 2/1 or 1/2 and may move games up to Friday/Saturday depending on travel and weather forecast. As is the case with the current make-up policy; teams are required to play two games against all scheduled opponents; in the event of inclement weather, the third game can be rescheduled by mutual agreement, but is not required. Format is 9-7-9; last game would default to 7 inn. if 1st game Sunday went extra innings.

Playoff Series: Weekend 7 can be used for a crossover playoff weekend. The top four teams in each division will play a best 2-of-3 series with the winner advancing to the 4-team league championship the following weekend. Team #1 will host team #4 from the other division while team #2 will host team #3 from the other division. The #5 teams in each division will play each other in a season-ending series.

All teams would play 20 or 21 games (depending outcome of best-of-three series). Teams currently play a total of 24 league games.
